"As today is a sacred day dedicated to women, they should change themselves and help to change the men and the children. They should develop the qualities of sympathy, compassion; love and sacrifice. Study the lives of our great women, who were models of patience, fortitude, compassion and sacrifice. I desire that you should take up the reins of leadership and bring peace and prosperity to the nation by leading ideal lives."

*- Sathya Sai Baba, Divine Discourse 19 November 1995,
Sathya Sai Speaks Vol 28, Chapter 32*

We will celebrate Ladies Day with a waterfall walk in Morialta Conservation Park followed by a BBQ.

Make sure you wear comfortable footwear and if possible, please bring a foldable chair/picnic blanket with you. The walk can be adjusted for all fitness levels.

All are welcome!
