Dear Saras

RE: Sister Kate's Home Kids Aboriginal Corporation Family Day Event – Saturday, 21 January 2017

Following our Sister Kates Family Day event, held on Saturday 21st January 2017, it is with great appreciation that I now write this letter of thanks.

The event was a great success where all who attended had a wonderful time, expressing interest if there was going to be a follow up, which is always a good indicator of everyone enjoying themselves.

I would like to thank you all for your support and generosity, as without your individual help in staging the family day, we would have been hard pressed to give our SK Homee families this opportunity to come together to reconnect as Stolen Gens and the united group we hope for.

We sincerely thank: IGA Belmont, Sathya Sai International Organisation of Australia, Life Academy, David Wirrpanda Foundation and National Empowerment Program (NEP)/UWA.

As SKHKAC grows in strength and numbers, we hope to build on this event and stage further similar gatherings in support of our families, other Stolen Gens groups and collective Aboriginal and Torres Strait Islander community across the metro area and even into regional WA. Though we have already aligned and supported families and communities in the regions delivering many programs over the last 5 years, with much success, we want to further add to this commitment.

Launching the Sister Kate's Affirmations Book at the event was a highlight but sitting alongside of this, we also launched the Friends of the Sister Kates Home Kids, which is a wonderful start to the year and we will now also build on this too - we are very happy that you are all considered as friends of the Sister Kate's Homee family.

Once again, from the Directors and staff of the SKHKAC, we thank you for your support and commitment to making our family day the success it was, it was very much appreciated.

In Unity Always - Kaya
