

# Sathya Sai International Organisation of Australia & PNG, ACT Region

## Join us at Clean Up Australia Day 2018!

Sunday, 4 March 2018

9.30 am to 12.30 pm

Eddison Park

Corner Yamba Drive and Launceston Street, Woden

Keeping our environment clean and beautiful is an important step in maintaining an enjoyable community. With your help, it won't take long to rid of this beautiful setting of the cans, bottles and wrappers that spoils everyone's enjoyment of the parklands.

By working together we all can make an impact. Join the Sai Centres of ACT Region for Clean Up Australia Day 2018!

Those joining us for Clean Up activities are encouraged to bring sunscreen, a bottle of water, gloves, closed shoes and wear a hat.
