My Sai and I – May 2018

‘My Sai and I’ offers a series of enchanting sessions drawing on intimate experiences with Sathya Sai Baba. The program has been developed to allow our connection and love for Baba to blossom.

With the grace of our Dear SAI, the ACT region is pleased to announce that the ninth session of My Sai and I is scheduled for **Monday, 21 May 2018**.

We are very fortunate to have **Sai Surendranath** from Puttaparthi speaking to us.

Sai Surendranath’s family has been in close association with Sai Baba since 1948. In 1977 he was blessed to attend the Sathya Sai Junior College and was part of the first batch to attend the Sathya Sai Institute of Higher Learning where he completed his Bachelors and Masters in Commerce in 1979 and 1984 respectively.

Sai Surendranath is currently a postgraduate teacher at the Sathya Sai Higher Secondary School. He is also a tabla player in the Prashanti Mandir Bhajan Group.

Sai Surendranath has experienced countless moments in close proximity to Baba’s physical form. During the session Sai Surendranath will be sharing with us his most cherished memories with Sai, which will be followed by a live Q&A session and dinner.
