

SPECIAL EVENT AN EVENING WITH ABHIMANYU KAUL

Monday, 18 June 2018

7:00 pm

**Adelaide Theosophical
Society, 310 South
Terrace, Adelaide**

*"Human Values are latent in every human being;
one cannot acquire them from outside. They have
to be elicited from within. Educare means to bring
out human values. To 'bring out' means to
translate them into action."*

- Sri Sathya Sai Baba

Abhimanyu Kaul, fondly known as Abhi, feels proud and blessed to have been a Sai student during the years 1983-1990 in Puttaparthi where he completed his Masters in Commerce. Abhi believes that his only and true identification is being a 'Sai Student'. He brings with him a plethora of divine experiences from his school and college days. He inspires all by sharing the lessons learnt at the feet of the Master. He is a great story teller who brings alive those divine moments.

Abhi was born and brought up in India and after graduating, moved to Toronto, Canada. His life's purpose and passion is spreading the awareness, need and practical implication of values. Through Sai's guidance, instruction and blessings he has been engaged in spreading values education. He was blessed to be advisor to the Ministry of Education in Trinidad and Tobago where he started a values school. Presently he is involved in similar work in Indonesia, Nepal and the State of Sikkim, India.

The program will conclude with a shared meal.

*All are welcome to attend and participate in this
very special event which is not to be missed!*
