*"As today is a sacred day dedicated to women, they should change themselves and help to change the men and the children. They should develop the qualities of sympathy, compassion, love and sacrifice. Study the lives of our great women, who were models of patience, fortitude, compassion and sacrifice. I desire that you should take up the reins of leadership and bring peace and prosperity to the nation by leading ideal lives."*

*– Sathya Sai Baba,  
19 November, 1995*

We will celebrate Ladies Day with a waterfall walk in Morialta Conservation Park followed by a BBQ Brunch.

Make sure you wear comfortable footwear and if possible, please bring a foldable chair/picnic blanket with you. The walk can be adjusted for all fitness levels.

*All are welcome to attend!*
