Cnr King Georges Rd., & Maher St., Hurstville. NSW.
The next meeting takes place from

7.45 pm until 9.10 pm, Thursday, 4 April 2019

MORE INFORMATION

This is an ongoing program that examines the core Human Values promoted by the world religions. These values are the touchstone of 'human' behaviour and go towards establishing unity and harmony at home and in society and bring us closer to our spiritual centre.

The program does not promote any particular religion's approach to the values, rather it looks at them as ways of enriching our spiritual life and growth and helping us to be more positive members of our families and society.

The program is open to all, including members of other Sathya Sai Centres/Groups and especially interested members of the general public.

Activities during the program include; universal prayer, devotional singing based upon the values, and interactive presentations and discussion. Light refreshments are served at the conclusion.
