Clean up will be followed by a picnic.

Clean Up Australia Day is a simple way you can take action to clean up, fix up and conserve our precious Australian environment. All ages can participate in this service activity.

Thing to bring for the clean up:

- water bottle
- hat
- wear sunscreen
- wear loose fitting clothes
- covered shoes / gumboots (as there is tall grass in some areas)
- gardening gloves / thick rubber gloves (used for dishwashing)
- tongs if you would like to use one

We will provide bags to collect rubbish along with some gloves and tongs.

Please bring a plate of food if you can to share afterwards.

"Today, all the five elements are polluted and, consequently, man is mired in insecurity. Today the world is losing its ecological balance, as man, out of utter selfishness, is robbing mother Earth of her resources like coal, petroleum, iron, etc. As a result, we find earthquakes, floods and such other devastating natural calamities. Human life will find fulfilment only when ecological balance is maintained. Balance in human life and balance in nature, both are equally important."

- Sathya Sai Baba, 26 May 1992
