

Sathya Sai International Organisation of Australia & PNG, ACT Region

Join us for the Birthing Kit Assembly Day

The Birthing Kit Assembly Day activity is organised by the Sai Young Adults and Service Wings of the ACT Region. The assembly of birthing kits is done to assist the Birthing Kit Foundation of Australia, an organisation dedicated to providing a clean and safe birthing environment for women in developing countries. The kits contain supplies that facilitate clean births which can potentially save the lives of mothers and babies in rural and remote communities.

Assembly Days are a great way to bring our groups together to help make a difference. The kits we pack and hold in our hands will next be in the hands of women delivering babies in the world's most vulnerable communities. **So why not join us?** All are welcome to participate in the activity. A light lunch will be served at the conclusion of the event.

'The quality of true love is to give and not to receive. How many are to be found today in the world who love to give?'
