# My Sai and I

'My Sai and I' offers a series of enchanting sessions drawing on intimate experiences with Sathya Sai Baba. The program has been developed to allow our connection and love for Baba to blossom.

With the grace of our Dear SAI, the Sai Young Adults are pleased to announce that the sixth session of 'My Sai and I' is scheduled for **Saturday, 3 June 2017**.

We are very fortunate to have **Ram Naresh Gorlamandala** from Sydney speaking to us.

Ram Naresh came into Sathya Sai Baba's fold in the mid-1990s and was immediately attracted to His teachings and His love and care for society.

During Ram's student days at Sathya Sai educational institutions, Baba blessed him on many occasions with direct teachings and experiences.

Since moving to Sydney in 2004, Ram has continued to be immensely blessed by Sathya Sai Baba and has had many opportunities to serve the organisation.
