INTERNATIONAL
ORGANISATION OF
AUSTRALIA & PNG,
WA REGION

Tree Planting

Saturday 13 July, 2019
9:00 AM to 12:00 PM

1 Horley Road, Beckenham.

Event Details: Registration at 9:00am followed with stretching at 9:05am. Bring water and wear closed in shoes and comfortable clothing. Gloves and planting equipment will be provided.

Sathya Sai International Organisation held their first Go Green Conference in July 2018 to highlight the spiritual imperative of caring for the environment including initiatives to plant more trees. It's that time of the year, when the WA region joins the Trillion Trees Organisation for the annual tree planting. We are undertaking the challenge of planting more than 6000 saplings to trees at South East Regional Centre for Urban Landcare (SERCUL)
